In the birth of Apple Inc, Steve Jobs had a big and strong influence in it. He helped Apple Inc. to the top in the industry and turn Apple Inc. into a big company. But what is the most influential part of the company? It is the logo designed by Steve Jobs. Almost all the products in the line-up of Apple Inc. are designed under the influence of the logo of the company. The logo of the company has a big role in it. The company has given a name to the product: Apple Inc. It had a significant influence in the Apple Inc. Despite of that, the company is struggling when it comes to design the products. The company is lacking the creativity and innovation. However, according to a research by OpenSlate, iShark, they have declared that the logo of the company is the most influential part of the Apple Inc. The logo of the company is very huge. On a side, it is an apple with two lines of shadow. It's the first thing we notice when we see the logo of the company. In the inside, the word Apple is written in it. The logo has a very defined and broad shape. Besides the logo, the Apple Inc. produces a lot of accessories such as:

- Case: The company has a wide range of cases for the computers. Besides, the range is very different with the color and design. It gives us the impression that Apple Inc. is very creative in the designing a computer.
- The white, spherical speakers: The Apple Inc. is the company that represents the perfection of the products. At the same time, it also gives a sense of harmony with the wooden, portable products.
- The Lighting-Headphones: This is the headphone which is used to listen to music while going through a long process. The headphone is designed in the shape of an apple. However, the shape of the headphones is quite appealing.
- Apple Watches: This is the gold wrist band with digital numbers and a screen. Apple Inc. has designed this with a good sense of art.
- Apple Bags: Apple Bags are the range of bags which are meant to protect the Apple products. It is designed in a way that nothing could break the bag.
